Re: 5K Campus Run 22nd April 2018

This is to confirm that Cool Earth Action USA Inc. agrees with the Princeton Conservation Society that all proceeds from registration fees of the Campus Charity 5K run will be donated to Cool Earth's US office, Cool Earth Action USA Inc., with any costs being covered by the Society itself or through University funding, so Cool Earth receives 100% of registration fees.

Cool Earth agrees for its name to be used in association with this Campus fundraising event, the sponsoring group being the Princeton Conservation Society.

Cool Earth's US contact is its trustee, Mr Stephen Brodbar, One Hanson Place, 17D, Brooklyn, New York 11243 (stephen.brodbar@coolearth.org).

Cool Earth is delighted to partner with the Princeton Conservation Society in this event and wishes all its participants the very best of luck on the day.

Yours sincerely,

A handwritten signature in black ink that reads "Nog Sawdon".
